Indigenous Disability Canada (IDC) / British Columbia Aboriginal Network on Disability Society (BCANDS) is pleased to invite you to consider being a sponsor for our upcoming 2024 National Indigenous Disability and Wellness Gathering. The 2024 Gathering will be held at the Victoria Conference Centre in Victoria, British Columbia, from November 19th to November 21st on the ancestral lands of the Lekwungen Peoples during the 10th anniversary of Indigenous Disability Awareness Month (IDAM) being recognized and proclaimed across Canada.

Indigenous Disability Canada (IDC)/British Columbia Aboriginal Network on Disability Society (BCANDS) is an internationally recognized and award-winning, national Indigenous not-for-profit disability organization. 2024 marks the Society's 33rd year of operation.

The 2024 Gathering will bring together Indigenous and non-Indigenous governments, leaders, service providers, community members, and others to learn, connect, and collaborate in addressing the unique barriers Indigenous Peoples with disabilities face, as well as a time to come together and celebrate the overwhelming contributions Indigenous Peoples with disabilities make in our communities, organizations, and country.

Together, we will continue to take the necessary steps forward in dismantling both historical and current barriers, and the attitudes and perceptions that negatively impact Indigenous and non-Indigenous peoples with disabilities.
