ABOUT THE DTC

The Disability Tax Credit (DTC) is a non-refundable tax credit that helps people with disabilities, or their supporting family member, reduce the amount of income tax they may have to pay.

Applying for the DTC involves the person who has the impairment and a medical practitioner who can certify the effects of the impairment.

If you think you may be eligible for the DTC, you should apply. Being eligible for the DTC may help you access other federal programs such as:

- Registered Disability Savings Plan
- Canada Workers Benefit Disability Supplement
- Child Disability Benefit
- Canada Dental Benefit
- and other benefits, such as the upcoming Canada Disability Benefit
